HISTORY OF A GUN CARRIAGE

\$250,000 ALREADY PAID A. H. EMERY, THE INVENTOR.

and Only the Foundation for the Car-Giving Bond to Return the Money if His Carriage Proved Unsuccessful.

the inventor of a disappearing criage, has received almost \$250,000 a Government without doing more s related in the annual report of the of ordnance and fortifications the War Department, which was made o-day. Mr. Emery was even releved of the obligation of giving a bond return the money paid him by the able transaction is discussed as follows:

There have been no developments, so far he board is informed, in connection with he Emery gun carriage and the board on one under direct legislative enactment. d the only part to be taken by the board the matter is that when completed, if the carriage is to be tested under its

propriating \$130,000 for the purpose in February, 1893, and a contract was entered into March of that year with A. H. Emery though the actual work of construction was of any money paid him should the carriage not prove to be successful. By act of May 1900, the sum of \$40,000 was added to the therefore \$220,000, of which \$135,656 was

The fortifications appropriation act of Mr. Emery was working and to make a new shall "in his discretion think best." In accordance with the terms of the act

ance with Mr. Emery for one 10 inch carriage of his design. The sundry civil appropriation act of May 27, 1908, contained the following

"To enable A. H. Emery to complete the in carriage he is making for the Governent the Secretary of War is hereby au-orized and directed to increase the price said contract to be paid to the said Emery the said carriage by the sum of \$3 ch sum is hereby appropriated, \$20,000 of which is to be paid to him on the ap-proval of this act, \$5,000 when he is ready but in the foundation for this carriage erect the carriage for its preliminary test In the latter part of 1908 Mr. Emery con- de luxe travel themselves. structed a railroad track connecting the site selected for his carriage at Fort Hanock with the Sandy Hook proving ground This track was used for the transportation of material for the con-struction of the concrete foundations for

the carriage. Under the provisions of the and Raleigh.
act of May 27, 1908, Mr. Emery was paid Another pe

amount authorized has been \$250,000. this sum there remains to be paid to Mr. Emery \$13,531, or slightly more than 5 per ent. of the total amount authorized. In its last annual report the board stated

that seventeen years had elapsed since the construction of a carriage of Mr. Emery's design was first authorized. This remark may now be varied by saying that eighteen years have passed and the Government still has nothing to show for the expenditure of 95 per cent, of the appropriations except the foundations for the carriage, were put in three years ago in order to enable Mr. Emery to obtain an additional \$5,000, as provided by the act of 1908, practically the first which required him to do snything in return for money part him.

The members of the board are Major-Gen. Leonard Wood, chief of staff; Brig.-Gen. William Crozier, chief of ordnance; Brig.-Gen. William H. Bixby, chief of engineers; Brig.-Gen. Brasmus M. Weaver, chief of Coast Artillers; Lieut.-Col. E. St. J. Greble of the general staff; Capt. S. D. Embick, general staff, and William War-ner, civilian member of the board.

DON'T LIKE COMMERCE COURT. Some Democrats and Republicans Favor

of a legislative recall of Judges," said a on June 12, 1911, in the matter of the long and short haul had given a wonderful alus to the movement in Congress ish the Commerce Court.

There was never any good reason for the service of will lead to prompt action by Con-and it would not surprise me if next session a bill repealing the law ing this court is passed."

View expressed by this Senator finds much support among Democrats and insurgent Republicans, but even if Congress should pass such a bill the President would probably promptly veto it and it could not command a sufficient

and insurgent Republicans, but even if Congress should pass such a bill the Tresident would probably promptly veto it and it could not command a sufficient vote to be passed over the veto.

Milk Dealers Fight Bottle Law.

In a pamphlet sent out yesterday the Retail Milk Dealers Association registers a protest against Health Commissioner Lederle's order by which, after January I. all milk sold in the city must be passed and packaged in bottles. The Sectiation declares that the order will ave the effect of turning the sale of milk ave the effect of turning the sale of milk increase the price of milk now sold from open cans at 6 cents a quart to 9 cents. In a circular addressed to consumers the association says that "compulsory pasteurization will transform pulsory pasteurization will transform pulsory pasteurization will transform lasidious enemy to the public health."
